TO: *Mr. Hasan Mahmud*

Dear Hasan Mahmud

Your movie is a moving elucidation of the cruel and tragic consequences of holding the opinions of medieval authorities sacrosanct on the issue of oral divorce even if done in a fit of rage. While the Quran is free from all error, the Islamic legal code, the Sharia, is a code developed by the interpretation and opinions of Muslim Scholars and Jurists in by gone years.

Your movie is a powerful argument for the need to re-examine the code in the light of Quran Alone.

Thank you for drawing our attention to this imperative for our age, waiting for more.
